

Dear Parents,

On Thursday, October 15th from 1:15pm-3:30pm, Eastern Idaho Public Health will be coming to the school and providing a flu clinic for students and teachers. We are happy to be offering flu mist this year. If you decide to have your child participate in this clinic and would like to be present, please note the approximate time that we will be at your child's school; you do not need to be present, but may choose to be if your child is young and would feel safer and more cooperative with you in attendance. Please find attached the consent to vaccinate form and the vaccine information statement. These forms are also available at the school secretary's desk and at Eastern Idaho Public Health. These forms will need to be filled out completely and returned to the school by the 7th of October. If you have any further questions, please feel free to call me.

Attach a copy of Medicaid or insurance identification card. Insurance/Medicaid will be billed for vaccine administration fees. Uninsured children pay \$20, Adults (19-64) pay \$28. (No child will be denied vaccinations due to inability to pay.)

Thank you,

Cammie Durbin
